EXAMINER'S AMENDMENT

An examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

The amendment to the claims has been considered not to be within the scope of the claimed Applicant's election without traverse of claims 49-52 in Paper No. July 28, 2003 is acknowledged.

Newly submitted claims as amended on November 17, 2003 directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the claimed product is totally different from the hydrocarbon gas as originally elected.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 49-52 have been withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Furthermore, since this application is in condition for allowance except for the presence of claims 49-52 to a non-elected without traverse.

Amendment to Pending Claims

Accordingly, **claims 49-52 have been cancelled.**

Claims 20, 24, 28, 29, 33-38 and 44-48 are allowed.
